

T470V103 Included device families

Aug 21, 2019

This manual covers the display devices supported by the T470 system.

Devices are covered in alphabetical order of manufacturer, with projectors first, followed by flat panels. The numbers after the names are the codes using to select that family in Setup on a PC.

PhantomAbsVol	; 0000	Mitsubishi Proj (Vol 31)	; 2B10
PhantomIncVol	; 0010	Mitsubishi Proj (Vol 31) Slow	; 2B11
